

The Major Chord

Any Major chord will look like the diagram below, Just in a different position.

Below are the only basic chords you have to Know. and if you look below you can see that each major chord uses 5 basic SHAPES.

Below, we have filled in all of the C's E's and G's. When you play C E & G together, Then that is a "C Major" Chord. (The C Major chord is in 3 of the 12 KEYS.)

THIS IS ONLY A "C MAJOR" CHORD

(1) (2) (3) (4) (5)

(1) C Major

(2) A Major
